

The safety of our community has always been my passion. I committed my life to a career in law enforcement at the age of 19 and now 31 years later I am even more committed to making sure that Ashland County remains a safe place to live and raise a family.

My wife, Sandy, and I have always lived in Ashland County. We raised two beautiful daughters here and the reason we chose to plant our roots here is because Ashland County is truly a great place to work, play and live the American dream. That's why I'm excited to announce that I'm running for Sheriff of Ashland County.

Sheriff Risner provided strong leadership for our county over the past 20+ years, and I want to continue this tradition. Law Enforcement is full of challenges today—but with my 29 years of extensive training, command experience and leadership at the Ohio Highway Patrol, coupled with the knowledge and experience as Human Resource Director for the City of Ashland, I know I have the qualifications and commitment to meet these challenges.

I'm looking forward to talking with you about the future of Ashland County, and how we can work together to keep our home the safest place to live in all of Ohio!

Our website, social media, yard signs and other ways to support this important campaign will be out soon. In the meantime you can email me at [cenderby21@gmail.com](mailto:cenderby21@gmail.com) or search me on Facebook.

With your support in the upcoming election, we will ensure our Sheriff's Department is professional, highly trained and dedicated to serving Ashland County.

Respectfully,  
Chad Enderby
