By working together we can make our students testing experience positive and successful. Please take a moment to write an encouraging letter with the sheet provided or on a separate card. An example is provided below.

Dear student,
I am so proud of you. You are a bright student with lots of potential. I believe in you. Soon you will be taking a state test in your classroom. Please do not be nervous because you have prepared for it and you are ready. Do not worry about the score because it does not define you. Try your hardest and be patient with yourself.
Good luck!!
