

Made for Home Fall Banquet Series '24 RESULTS Press Release

Fostering Family Ministries (FFM) is praising God and thanking the community for their generous output of time, resources, and talent.

FFM held their second annual fundraising banquet in Ashland at Mount Vernon Estate Events on September 26th, 2024. Over 160 people attended the event, and Cecil and Boone Stokes were the special guest speakers, sharing their “brutiful” story of adoption and family. FFM was honored to host Cecil and Boone for a Stand Sunday in 2019, and it was an amazing opportunity to see them 5 years later and hear what the Lord has done. People enjoyed a wonderful evening of celebration and community.

After the fundraising banquet in Ashland, FFM held its first ever outreach banquet in Knox, Co. at the Knox Memorial building. Over 60 people were in attendance to hear Krysta Bouquet’s moving story of how the church stepped up when her family was immersed in drugs and wrestling with addiction. It was a beautiful night of connections and inspiration in Knox county!

FFM looks forward to bringing the Made for Home program to local communities to continue to share the message of hope and home to youth and families in foster care. They are pleased to announce that the Made for Home initiative has raised \$63,369.89 of their \$100,000 year-end goal. A special thank you to the many local businesses, churches, and individuals who sponsored the banquets (listed below on next page).

In addition, FFM’s first Christmas Catalog raised funds and in partnership with many local donors, they have met and exceeded their \$100,000 year-end goal. Thank you for your generous support!
