He said that there was a lot of shooting coming from 509 twp rd 462 yesterday. I looked in the barn and wasn't able to locate any bullets. I went to 509 twp rd 462 and spoke with a female. She said her father was the one shooting yesterday. She said that we have been called out here before for holes in their barn so thinks it was from awhile ago. She took me to the backyard and showed me where her father shoots. There is a large dirt mound with a target in front of it. She will give him my contact info to call and speak with me.
