 02/18/25 15:23:04 - Hemenway, Jacob - All Call - On February 18th 2025, during 5th period lunch at Black River High School, two students entered into a physical altercation. Tristin Mizejewski was interfering with a volleyball game being played by Trent Reveglia. After several verbal attempt to remove Tristin from the area of the volleyball game, Trent grabbed Tristin's hoodie to relocate him out of bounds. Tristin then took a basketball and threw it at Trent's head. When Trent turned to confront Tristin for throwing the ball, Tristin grabbed Trent's shirt and began to throw several closed fist punches. After falling to the ground, Trent gained the upper hand and delivered two closed fist punches. At this time, I was able to grab Trent off of Tristin to which both boys verbally stated they were done. Both students were taken to the principals office where Tristin was suspended for three days (this is his second physical altercation this school year) and Trent was suspended for one day.  02/18/25 15:38:45 - Neff, Matt - All Call - Megan made a report about her vehicle being towed by AAA, which sent Whites Towing. She had a guy come and get the vehicle and she said the male was very strange. He made a comment about fixing the vehicle at a park for her. She said no she wanted the vehicle to go to Bakos Auto. The vehicle never made it to Bakos auto that day. I spoke to the owner of Whites towing and he was aware of the incident and said the driver told him he put the keys in the drop box. The driver took the Vehicle to 224 Auto repair and not Bakos. Yesterday he picked the vehicle up from 224 Auto and took it to Bakos. Now the vehicle is where it should be but the keys are missing. I spoke to 224 Auto and they said they never got the keys. Jeremy said Whites towing will make her a new key for the troubles.
