She said she couldn't afford it. She was advised of the prepay phones at Walmart. She wanted a deputy to call her son and ask him to not shut off his phone.  02/26/25 13:14:06 - Neff, Matt - All Call - Sarah requested a report be made about Joshua Bowman driving by her residence on Monday the 24th. She explained she was at the end of her driveway waiting for her child to get off the bus when she heard someone laying on the horn. She looked up and noticed Joshua was driving by slow and giving her the finger. She said there is an ongoing case out of a different county. She is scared of Joshua and someone just broke the back window out of her vehicle yesterday. That report was made with LPD. She was suggested to go and get another Protection order against Joshua.
