02/27/25 11:06:00 - Hammond, Shelby - 329 - Available

02/27/25 11:17:26 - Hammond, Shelby - All Call - Ella and Brandi came to my office to report that Ari has continued to start drama with them and Emma Senters over snapchat. She showed me the messages and they asked Ari to stop and stated they are tired of the drama. Ari only comes to ACCA one day a week, so she is not currently at school. Ari was making weight jokes in the chats directed toward Emma, and starting other drama between multiple students. Ari's mother, Stephanie, then started to contact the juveniles via social media and text. She told them she was going to press charges on them due to her believing the juveniles are bullying her 18 year old daughter. She also told the juveniles they could go and grab their moms so she could fight their moms if they wanted. She told Brandi she is going to go to her house today to confront her mother about issues with her daughter and the juveniles. I spoke to Brandi's mom who did not seem concerned, but just wanted to make sure her daughter is not involved in the drama. Brandi told Stephanie she does not want her at her house, and I advised Brandi's mom to tell her the same. I advised the girls if Stephanie tries to show up to their houses to call APD right away, due to having a history of unpredictable behavior with Stephanie. The girls also blocked Ari and her mother and just want the drama Ari's creating with them to stop. Principal was advised as well. The girls just wanted a report held on file... Deputy S.
