 02/28/25 14:29:52 - Pennywitt, Brittney - All Call - I spoke with Jennifer. She said a few years ago she got a dog from a woman she believes to be named Kristine. She said she had seven dogs and is moving to a place where she can only keep two. She posted five of her other dogs for sale online back in Nov/Dec. She said that Kristine saw the post and got in touch with her through facebook asking if she can have the dog back. Jennifer said she drove the dog back to Kristine in Nov/Dec. She said Kristine has now messaged her again and said she needed Jennifer to dog sit for 5-8 days. Jennifer told her she has a broken foot and would be unable to care for the dog. This upset Kristine and Kristine messaged her saying she was just going to dump the dog off at her house. Jennifer did not have a last name, phone number or address for Kristine. She was told to contact the dog warden if the dog is just dumped onto her property. Pennywitt #330
