 03/01/25 13:11:32 - Rybak, Bradford - All Call - Comp. advises that her neighbor is placing stakes in the ground. I asked her if he was on her property, which she stated she did not know if it was on her property, and says she thinks it may be on the neighbors property. Caller concerned that he is placing stakes while not having the proper "credentialing as a surveyor." I told the caller that if he is on his property and placing stakes, is allowed to do such activities. Caller advised that she is going to have a surveyor come out and survey her property next week. I advised comp. to call back if he comes onto her property and she does not want him there. - 394.

 03/01/25 13:46:16 - Sims, Todd - 324 - Dispatch
 03/01/25 14:45:35 - Wenrich, Luke - All Call - I spoke with Olivia in the EMA room at the Sheriff's Office about an incident that began in Loudonville. Olivia told me that her mother Lori and her sister Samantha got into a heated argument on 2-26-25 at their parents home in Loudonville. Olivia told me that yesterday her father James received text from Clinton Kirkpatrick who is a friend of Samantha. Olivia is unsure about what kind of relationship Samantha and Clinton have. Yesterday Olivia sent the messages on her dads phone to her phone, without James knowing. Olivia said her father Jim does not want the police involved at this point. Olivia showed me the two messages that Clinton sent to James yesterday. In the message Clinton threatened to assault both James and Olivia, he also threatened to rape Olivia's dog, cat and gold fish. He also made several derogatory comments about Olivia. Olivia believes Clinton is unstable and she is unsure of what he might do. She was concerned for her fathers safety as well as her own. I told Olivia the different course of actions that could be taken, Olivia just wanted a report on file. She thinks it will only agitate the situation if Clinton is contacted by law enforcement. I told Olivia if she was in fear for her safety that she could file for a protection order, we also spoke about her putting up cameras at her residence. Olivia is also worried about the safety of her son and nephew who live with Samantha. Samantha currently has custody of Olivia's son. I told Olivia she could contact the Wayne County Sheriff's Office and ask them to do a welfare check on the children. Olivia claimed that the children are not taken care of properly and she alleged that Samantha has abused her son in the past. i told her she could contact Wayne County Children Services and make a report with them as well.
