He stated this happened in Haventown PA. He said that when he called that bank and they stated that someone came into the bank in PA and used a government check to open a checking account. John was advised that if the person walked into the physical location in PA, that would be the jurisdiction he would need to file the police report with. He stated he had contacted them and they wouldn't file a report because he lives in Ashland. He was advised to attempt to contact them again and if they had any questions, they could contact me.
