Patrol OVI Checkpoint on Claremont Avenue Tonight

Ashland – The Ohio State Highway Patrol, in conjunction with the Ashland Police Department and Ashland County Sheriff's Office, announced today that an OVI checkpoint will be held from 8 PM until 10 PM tonight on Claremont Avenue, in Ashland County.

The OVI Checkpoint, funded by federal grant funds, is planned to deter and intercept impaired drivers.

The checkpoint will also be held in conjunction with nearby saturation patrols to aggressively combat impaired driver-related injury and fatal crashes.

If you plan to consume alcohol, designate a driver or make other travel arrangements before you drink.

Don't let another life be lost for the senseless and selfish act of getting behind the wheel impaired.
